PROFESSIONAL SUMMARY

Detail-oriented Software Developer with a strong academic foundation in computer applications and hands-on experience building **logic-driven, database-backed software systems**. Proficient in multiple programming languages with a solid understanding of object-oriented programming, application workflows, and backend logic. Experienced in developing real-world applications such as management systems and billing software, with emphasis on clean code, reliability, and maintainability. Actively applying problem-solving skills to convert business requirements into functional software solutions.

TECHNICAL SKILLS

- Programming Languages: Java, Python, C, PHP
 - Object-Oriented Programming (OOP)
 - Data Structures & Algorithms (Fundamentals)
 - SQL & Relational Database Design
 - Backend Logic & Application Workflows
 - Debugging, Testing & Code Optimization
-

PROJECT EXPERIENCE

Hotel Management System (Software Application)

- Designed and implemented core application logic for hotel operations.

- Developed modules for user registration, authentication, room selection, and booking workflows.
- Integrated MySQL database for managing customer records and booking data.
- Applied validation and error-handling techniques to ensure data integrity.

Professional Billing System (Business Application)

- Built a billing application to automate invoice generation for business use.
- Implemented dynamic item handling, calculations, and structured data processing.
- Focused on logical accuracy, usability, and clean separation of application components.

ACADEMIC & TECHNICAL KNOWLEDGE

- Operating Systems
- Computer Organization & Architecture (COA)
- Software Engineering Principles
- Database Management Systems (DBMS)

EDUCATION

Master of Computer Applications (MCA)

ITER – Siksha ‘O’ Anusandhan University, Bhubaneswar

Duration: 2023 – 2025

CGPA: 7.85

Bachelor of Computer Applications (BCA)

Duration: 2020 – 2023

CGPA: 8.95

Higher Secondary (ISC)

A.D.L.S. Sunshine School, Jamshedpur

Percentage: 68.95%

Secondary (ICSE)

D.B.M.S. English School, Jamshedpur

Percentage: 80%
